

anglophone lawyers demand: the minister of state explain.

the recent social unrest that has happened in the nord-west and south-west regions of camero on these past weeks, has been marked by the strike actions and demands of amelioration by some teachers and lawyers of the

a

nglophone speaking zones. The

a

nglophone lawyers had demanded amongst others the availability of the

ohada

niforms

a

cts in

e

nglish, the posting of all

a

nglophone magistrates in

a

nglophone regions, and all

f

rancophone magistrates in the

f

rancophone regions. They also demanded a return to a federal system of administration, etc...

In order to answer the plights of the lawyers, inform the public and establish the truth about the happening of events, the
